**MOTION FOR EXTENSION OF TIME  
TO FILE BRIEF ON THE MERITS**

Comes now Antonio Lopez, Appellant, by and through his attorney of record, Robin Norris, and files this motion for extension of 30 days in which to file his brief on the merits in this cause. In support of this motion, Appellant shows the court the following:

1. Appellant's petition for discretionary review was granted by this Court on January 29, 2020.

2. The deadline for filing appellant's brief on the merits is February 28, 2020. Appellant has requested no previous extensions of time in which to file his brief.

3. Undersigned counsel has been unable to complete preparation of the appellate brief in this cause before the current filing deadline because of his busy trial practice and continuing work on a capital murder appeal in *Moses Jack Popp v. Texas*,

080-19-00298-CR in the Eighth Court of Appeals.

WHEREFORE, Appellant requests that the time for filing his appellate brief in this cause be extended until March 30, 2020.
